Why do I need this?

- Is the internet vital to my business?
- How often does my connection go down?
How long does the outage last?
- What's the impact to my business? (Lost sales, idle employees, re-work, etc.)

Is it worth it?

For less than \$2 per day, enjoy the peace of mind knowing your business has a plan B for critical internet access.

There's no activation fee or expensive equipment to buy. For a single monthly fee Sierra Wireless manages the device & dataplan for you.

Quick Fact Track

- 33% of US businesses report monthly downtime due to network outages.
- On average, 30 minutes of downtime cost companies \$110 in lost revenue.
